This is no ordinary news. This is news that can help save you and your family! Please read on.

We are bombarded with news from all places these days, and yet the news you see from day to day on TV or in papers, is only a small part of what is going on. You see, the REAL news is hidden from the masses, and there is a plan to keep the world entertained, while the leaders gain more and more control over our lives. There are only a handful of corporations that own all the media outlets around the world, and the news you get is controlled, so as to keep hidden the plans that the leaders have for us. But thankfully they have no control over the REAL news you find here.

THE WORLD IS ON THE VERGE

What in the World is going on?

Have you ever wondered what is going on in this world, with all the wars and rumours of wars occuring on a regular basis? Why is there so much trouble around the world? Why? Because this world has rejected God and due to our greed and lust for power, this world is on the verge of the most terrible war and terrible time of trouble it has ever seen in all of its history.

Did you know that all the things we see going on in the world today was prophesied over 2,000 years ago in the Bible? That's right, the Bible forewarned us that such a time as this was coming.

The Bible warned us that a conflict was coming that would involve every person on the planet. But because the masses have been blinded by entertainment and mainstream media, they have no idea of what is coming upon this world. That is why we are here to tell you the truth, so that you can be ready for what is coming.

This is not to scare you. If you were on a road heading for danger, what would you expect to see? A warning sign right? Well, THIS news is that "warning sign".

WOULD YOU LIKE A SIGN SO YOU WILL KNOW WHAT WE ARE SAYING IS TRUE?

In the Bible, we are told that the Turkish Empire, along with the "radical" muslims are going to make war with Israel in the Middle East. Specifically, the Bible tells us that Turkey and the "radical" muslims are going to march into Jerusalem to take control and make Jerusalem their own capital. This will be the SIGN that the final battle of Armageddon [World War III] and time of trouble is about to take place, just before Jesus Christ returns. We will also see the Sunday rest law being pushed and enforced by America and the world. And when you see these things happen, then BELIEVE what we are saying and what the Bible says is true, and give your life to Jesus Christ, because He is coming soon to judge and destroy the kingdoms of this world. Please give your life to Jesus today, and you will have eternal life in heaven!

IS SUNDAY *REALLY* THE SABBATH?

The short answer is NO! Sunday is NOT the Sabbath day. This is an invention of man. You see, when God created the world, He set apart one specific day and "blessed" it and made it holy. That day is NOT Sunday, but the seventh day, which is now called Saturday today: "*And God blessed the seventh day, and sanctified it.*" (Genesis 2:2-3). It was the Roman Empire, which became Papal Rome who changed the Sabbath to Sunday, NOT God. See this website which reveals the TRUTH about the Sabbath - www.the-bible-sabbath.com

WHO IS THIS MAN?

AND WHO IS HE WITH?

Even before he became president of the United States of America, Donald Trump was well known to the world. This 'high flyer' made millions in real estate and other ventures. But now he commands the most powerful seat in the World. Many people are concerned about Donald Trump being president, and yet it is not Trump himself, but the people behind him who the world should be most concerned about. So who are these people behind Trump?

The men standing behind President Trump in the picture (not including Vice President Mike Pence) are Evangelical church leaders. They are leaders of Evangelical churches in America. And this picture you see was prophesied to happen in the Bible. Two thousand years ago, the Bible told us in the book of Revelation that in the end times, there would be a uniting of church and state in America, with the church leaders telling the civil state what to do. This is happening right now in the USA!

Before he became President, Donald Trump promised to do something no other President had done before. He promised to "*GIVE POWER TO THE CHURCHES*". And this is exactly what he is doing, and why you see church leaders with President Trump in the Whitehouse. So what can we expect from this church and state union in America? Why is there cause for concern? The Bible tells us that through the churches, America would not only "*deceive*" the world, but it would also "*cause the world*" to take the mark of the beast. Which will be the Sunday law.

America is creating an image [a copy] of the Papal Church of Rome in the USA, and it has been the long desire of the Roman Catholic Church to enforce her false Sabbath, SUN-day, in opposition to God's seventh day Sabbath. The Catholic church will achieve this through America, and the Bible warned us that this was coming. So it is vital that we keep the commandments of God, instead of the commands of men.

THE REAL TRUTH ABOUT

We hear a lot of news today about climate change and how the planet is in great peril because of it. But are we being told the truth about climate change? Would it be a surprise to you to hear that we are NOT being told the truth? So what's the deal with this?

Climate change started off being called "global warming". But because the leaders realized they couldn't deceive the world into believing the earth was warming (due to record cold weather being experienced), they decided to change the name to "climate change". And now laws are being put in place around the world to so called "combat climate change". The pope is even pushing climate change, and when the pope is involved in something, then it is most likely a deception! Really? A deception? How could that be?

The popes of Rome have long tried to gain control of the world, just like they had back in the dark ages. And what the Roman Catholic Church wants is their Sunday rest law enforced around the world. And what better way to enforce her Sunday law than to deceive the world into thinking we need to "shut down" for one day a week? This is the REAL reason behind the climate change agenda, and that's exactly what it is, an AGENDA to control our lives. The Bible told us this would happen, with the mark of the beast being enforced. That "mark" being the mark of Papal Rome - the Sunday rest law! IT'S COMING SOON!

HE IS COMING IN THE CLOUDS

There is one final deception that Satan will manifest to deceive the whole world. He is going to impersonate the second coming of Christ. But there is one thing you can remember to NOT be deceived. Satan will be ON EARTH when he impersonates Christ, whereas the Bible says that Jesus will return IN THE SKY and "*every eye shall see Him*". Jesus will NOT set foot on the earth. Satan cannot match this, so please remember this important detail, as the time is soon.

Wars, terrorists, disasters, disease, economic woes!

The world is certainly in turmoil, with all the wars and conflicts, terrorist attacks, diseases, famines and economic woes. But what does it all mean? Is it something to be afraid of? Dear reader, the Bible forewarned us two thousand years ago that in the end times before Jesus Christ was to return, the world would be in exactly the state it is today. Jesus gave us signs, so that when we see them, we can get ready, knowing that He is soon to return.

If some danger was ahead on a road, what would you expect to see? You would expect to see a WARNING SIGN right? So that you can be prepared for what is ahead. Well, in His love, God has given us warning signs in the Bible, so that we can be prepared for the danger that is coming soon to this world.

The world has resisted God and forsaken His commandments for thousands of years. And now the time is right upon us, when God is going to say "ENOUGH", at which point Jesus will return to bring an end to this world and take His people to be with Him in heaven.So we all have a choice to make. We can either accept Christ as our Lord and Saviour, choosing to follow Him, or we can remain as we are, following the world. The choice is ours, but the outcome will be either life in heaven or destruction! Please choose Jesus Christ.
